

Work update on SR 99 Connections Project

August 29, 2018

What's happening?

Crews will be working at night to install traffic signals at the intersection of Colorado Avenue South and First Avenue South.

When is it happening?

- Tuesday – Thursday, Sept. 4 – 6
- Work hours 8 p.m. – 5 a.m.
- On evenings with large stadium events, work will begin two hours after events end.

What will be closed?

- The parking strip on the south side of South Atlantic Street, between Colorado Avenue South and First Avenue South, will be closed during the work.

Portions of the south sidewalk may also be closed to ensure a safe work area, but access to all buildings will be maintained.

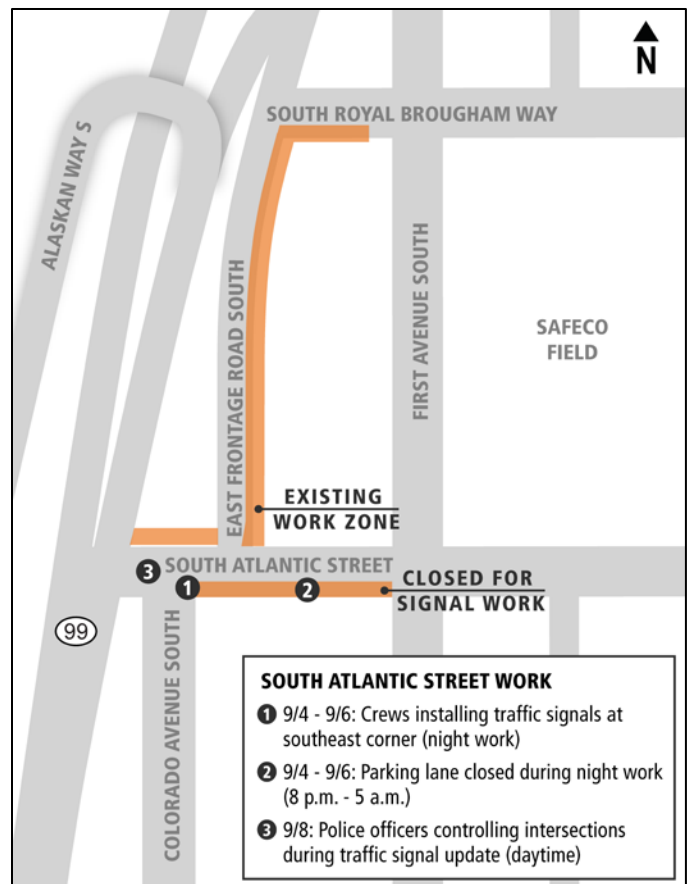

What to expect?

Crews will be installing an arm on an existing pole at the southeast corner of the intersection, and hanging traffic lights on the arm. The work will involve equipment, trucks and lights.

On Saturday, September 8, crews will activate the new traffic signals. This work will begin at 6 a.m. and police officers will direct traffic while the signal work progresses.

The night work is covered by the project's temporary noise variance with the City of Seattle.

Title VI Notice to Public

It is the Washington State Department of Transportation's (WSDOT) policy to assure that no person shall, on the grounds of race, color, national origin or sex, as provided by Title VI of the Civil Rights Act of 1964, be excluded from participation in, be denied the benefits of, or be otherwise discriminated against under any of its federally funded programs and activities. Any person who believes his/her Title VI protection has been violated, may file a complaint with WSDOT's Office of Equal Opportunity (OEO). For additional information regarding Title VI complaint procedures and/or information regarding our non-discrimination obligations, please contact OEO's Title VI Coordinator at (360) 705-7090.
